

Admissions Letter

Dear Parent,

Thank you for your interest in Iona Grammar School.

We are very proud of all the programs we offer the boys who attend Iona . Since suitability is a factor in appropriate placement, I have outlined the admission process below.

Testing and an interview with our Admissions Director are part of the criteria used for admission to our school for all grades.

Before we can schedule the testing date, the following records and data must be received:

1. Completed application form.
2. Application/Entrance Exam fee of \$200.
3. One time-per family registration fee of \$500.
4. *Copies of report cards from his two previous grades.
5. *Copies of all standardized test scores given in his two previous grades.
6. *Additionally, please have the three enclosed recommendation forms completed by one of his teachers, his school principal, and by some other person who knows your child especially well, such as your parish priest

As soon as we have received all of the above, we will set up an appointment for testing.

Again, my thanks for your interest and cooperation regarding our admission procedure.

Sincerely,

Mr. Peter M. Borchetta
President/Headmaster

PMB/mfs

*Grades 1-8 only
